12 November 1970

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. The Chief, [REDACTED] and Chief, Supply Division, Office of Logistics, convinced the Acting Director of Logistics that there was a need for an additional automotive mechanic in the [REDACTED]. On 5 November, the Office of Personnel established a new W-8 automotive mechanic position [REDACTED].

2. On 9 November the Acting Director of Logistics met with [REDACTED] and advised him that there had been a new position established as apprentice automotive mechanic to which he will be assigned effective 15 November 1970, and he will be assigned the responsibilities of that position. [REDACTED] was also advised that a special fitness report will be prepared on 15 February 1971 and forwarded to the Director of Logistics. Based on the review of the fitness report a determination will then be made with respect to his advancement or additional training in the automotive field.

3. [REDACTED] accepted this proposition.
